PUBLIC PANEL DISCUSSION

Rethinking Peace Mediation

16 November 2018

1:30-3:00 PM

Venue: Permanent Mission of Germany to the United Nations
871 United Nations Plaza
New York, NY 10017

This public panel discussion explores the effects and dilemmas of the professionalization of peace mediation. It will bring together practitioners and scholars to make sense of the evolution of multi-track peacemaking efforts. The panel will probe the accuracy of what peace mediation ought to be and its real-life form. By looking at the 'why', 'what', and 'who', the discussion seeks to build a picture of modern peace mediation while offering a critical reflection to new realities in the field.
